

## **FISCAL NOTE**

### **HB 1062 - SB 1730**

February 23, 2007

**SUMMARY OF BILL:** Requires the State Board of Education to automatically revoke the license of a teacher or administrator without the right to a hearing upon receiving verification that such person(s) has been convicted of a certain felony offense.

### **ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures – Not Significant**

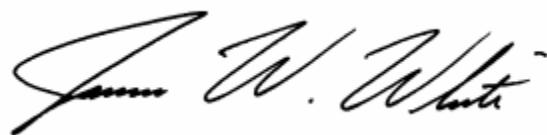

**Increase Local Govt. Expenditures – Not Significant**

Assumptions:

- Teacher license revocation is a continuing process administered by the State Board of Education. The State Board of Education will not require additional resources to carry out the requirements of this bill.
- Since no hearing is required, there would be no additional expense for a hearing officer in this case.
- Any cost associated with the verification and certification of a criminal record for a teacher or administrator is estimated to be not significant. However, it is unclear which governmental entity would bear this burden, if any.
